Excuses, Judgments & Resentments

- 1) What does it mean to say "God's love is unconditional"?
- 2) Read the story from Luke – either by yourself or have someone in the group read it aloud. What catches your attention in the story? Which person do you most identify with and what is it about them that you latch onto?
- 3) In what ways do you think the church is communicating God's unconditional love? In what ways is it communicating a conditional love?
- 4) God's grace is always being offered to us. For you, what gets in the way of being able to receive God's grace for you?
- 5) Is there anything in your life you feel God can't forgive? (Do a check – with your head and your heart. There is often a different answer in these two places – as in you "know" the right answer might be no...but where in your heart do you wonder...)
- 6) What steps might you need to take to let God have your brokenness? What steps might you need to take to let God grant you grace?
