## **Re-Member Re-Connect**

### **Today's Key Idea**

Whether we are talking about our country or our faith remembering helps us reconnect to the things we value and to one another.

### **Key Questions**

- Who are you remembering this Memorial Day weekend? What did they bring to your life? What pain is there connected with them for which you would like to find healing?
- What values do you think are important for our country to live by?
- Where do you see a need for healing and restoration in our country?
- In communion Jesus encourages us to eat and drink to remember him. What causes you to forget Jesus? How does communion help you remember?
- What are three key values from Jesus that you want to live by?
