## **The Power of Trust**

Where do you see God at work in your life?

Where do you get resigned to current circumstances so much so that you have a hard time believing God might do a new thing there?

What do you do when you don't see God's power working for you? What might it mean for you to trust God at that point?

Read 1 Kings 17:8-24. Remember the widow didn't know the end of the story when she chose to trust Elijah. Can you choose to trust God – before you know that God is going to work?
