HEAVENLY MINDED

EARTHLY GOOD

Heavenly Minded for Earthly Good

Today's Key Idea:

If we are Christ's followers, then our lives look different than the world around us. Our identity is not found in the things of this world, but in Jesus.

Key Questions:

- What stood out for you in the message today?
- Who or what do you look to for your sense of identity?
- Jane talked today about how community is broken when people are turned into things to be consumed or objects to be used to further our desires/causes. How have you "used" people in your life?
- The end of today's scripture reading says there's no difference in people because God is in all. In what ways do you break down the possibility of community by seeing some people as different/less than yourself?
