## **Living on Mission**

### **Today's Key Idea:**

Living on mission with God means our lives reflect who we say we follow and what we say we believe.

### **Key Questions:**

- Paul reminds us our actions speak louder than words. Take stock of your life. What do you say you believe, but you're not really living it out? (*For example – I believe we should love all people... but you regularly gossip or talk down about people*)
- Being a follower of Jesus means we shape our lives based on God's story and God's kingdom not the kingdom and story of the world. Where would your life change if you took this idea to heart?
- Part of being on mission is to pray – for yourself and for others. How do you pray for others? How do you pray for yourself? Is it a laundry list? This week challenge yourself as you pray to prayer with thanksgiving and to leave times of silence so you can hear.
