Dreams Turned Into Nightmares

How to use Talk It Over:

Talking through the message during the week helps you and your group turn what God is saying to you into action steps. Begin with the key questions, add any optional scriptures and questions if needed, and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Today's Key Idea:

Our relationship with money and things affects our relationship with God

Key Questions:

- What stood out for you in the message today?
- Peter said that stewardship is about how we manage all the time, money and resources God has entrusted to us. How well are you doing in this responsibility? How much does your faith in Jesus shape your daily decisions about money?
- Do you manage your money or does your money manage you?
- What do you think will make you happy in your life? Where does God fit in your answer? Where do money and things fit in your answer?
- Do you have more stuff or less stuff than you need?
