Step Out!

How to use Talk It Over:

Talking through the message during the week helps you and your group turn what God is saying to you into action steps. Begin with the key questions, add any optional scriptures and questions if needed, and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Today's Key Idea:

Discipleship is about following Jesus and following takes action on our part.

Key Questions:

- Where is your treasure? Where do you spend your resources? Is it in the place(s) you want your heart to be?
- What decisions and changes will you make in your management of money, things and time in order to follow Jesus more?
- What would be a big or bold step for you, in regards to your money, things and time, which help you follow Jesus even more?
- What keeps you from being bold in your giving of time? Of resources? How can you step out in courage and overcome that fear? Who could help you?
