Contentment

How to use Talk It Over:

Talking through the message during the week helps you and your group turn what God is saying to you into action steps. Begin with the key questions, add any optional scriptures and questions if needed, and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Today's Key Idea:

Contentment doesn't come from having things, it comes from knowing and trusting God.

Key Questions:

- Are you content with what you have or do you often long for more?
- What do you think would make you more content?
- What do you think is the relationship between contentment and gratitude?
- How can you be content without being complacent?
- What will you do to practice being content with your life as it is?
