God Comes to Us

How to use Talk It Over:

Talking through the message during the week helps you and your group turn what God is saying to you into action. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Today's Key Idea:

We don't have to make our way to God, God comes to us.

Key Questions:

- What darkness are you struggling with right now in your life? How do you imagine God might bring light there?
- In what ways has a relationship with God brought light into your life?
- Peter said that grace is the truth that God always comes down, always comes to us.
How has God come to you?

What do you think it means that Jesus comes to us full of grace and truth?
- John 1 says Jesus gives us power to become children of God. That is who we are, our identity.
What defines your identity? Do you think of yourself as a child of God?

What does it mean to you to be a daughter or son in God's household?
