Authentic Community is Possible

How to use Talk It Over:

Talking through the message during the week helps you and your group turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

It is sometimes frightening to share our inner selves with others – what makes it hard for you to share all of who you are with others? What might help you overcome this?

Today's message talked about what's "required" for our healing and growth is a place with others where we can be honest about what is actually the truth about us and will people will accept us without trying to fix us. What do you think about this idea? Do you have this kind of place in your life? What might it look like if you did?

Our community is in a time of transition...read over I Corinthians 13 again – how can you express love within the community during these transitional days? How can you express love to others in the community?
