## **Alive!**

### **How to use Talk It Over:**

*Talking through the message during the week helps you and your group turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.*

### **Key Questions:**

- What makes you feel alive?
- If your life was going to be remembered for something more than just surviving, what would you want to be remembered for? What characteristics? What actions in your life? What things you stood up for?
- Re-read the scripture from today on the back of this bulletin. Imagine what life could be like for the real you, the glorious you. What do you see? What keeps you from living into this life? How might you overcome those obstacles?
