## **Alive ... to grow**

### **How to use Talk It Over:**

*Talking through the message during the week helps you and your group turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.*

### **Key Questions:**

- What does it mean to you be part of “church”? When you think of church today – what gives you hope? What causes you to shake your head?
  
- If the church really is the body of Christ living in the world today – what do you think would make it irresistible to people outside the body? What part do you play in the body of Christ being alive and active in the world today?
