Don't Get Stuck

How to use Talk It Over:

Talking through the message during the week helps you and your group turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- What transitions or changes are you facing in your own life these days? Are you comfortable with them or do they bring anxiousness with them? How do you handle your feelings around these changes?
- When you think of where God might be calling you and/or calling this community, do you face it with anxiety, joy or something in between?
- Is there a place in your life you feel stuck? With a relationship? In the midst of a change? At work? At home? Try lifting your “stuck-ness” up to God and asking for God’s peace and guidance. Then listen for God’s reply!
