God is With Us

How to use Talk It Over:

Talking through the message during the week helps you and your group turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- When does God seem most near to you? When does God feel far away?
- Are there times in your life when you can look back and say – “oh yeah, God was with me!”? If so what were those times? What happened? Did you feel his presence at the time or only later in looking back?
- This week, try to sit still for 5 min a day and breathe in and out, asking God to make his presence known to you. See what happens!
