## **God Will Guide**

### **How to use Talk It Over:**

*Talking through the message during the week helps you and your group turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.*

### **Key Questions:**

- How many of the 10 commandments can you name? Why do you think God gave these commandments?
- Have you ever asked God for guidance? If so, what kind of guidance were you seeking? What kind of guidance did you receive?
- We often miss God's guidance and presence because we have expectations of what it should sound and look like. What might happen if you chose to believe that God speaks through other people, through scripture, through events/happenings? Try looking for God's voice and guidance this week in many different places!
- One of the key pieces of guidance God has given us is the command to "love others as we love ourselves". How well do you love yourself? How well do you love others?
