God Gives Us Grace!

How to use Talk It Over:

Talking through the message during the week helps you and your group turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- How would you define grace? Think about explaining it to an 8 year old – what would you say?
- What reminds you of God's grace for you? When have you felt God's grace in your life?
- Think about being a person of grace. What could it look like in your life to be someone who extends grace? Think of specific ways in your life on a daily basis to do that, whether work, school, family, etc.
