God Will Provide

How to use Talk It Over:

Talking through the message during the week helps you and your group turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Take 5-10 minutes and make a list of all the things that have been provided for you in this life. Try hard to see the good provisions even in the midst of hard times.
- Are there times in your life where it feels like God has not provided? Or that his provision has not been enough or was slow in coming? What were/are those times?
- God's provision often doesn't look like what we think it should. Ask God today to give you eyes and a heart to see where and how he has provided even in the midst of hard/difficult times.
