Shadrach, Meshach, Abednego & Rich

How to use Talk It Over:

Talking through the message during the week helps you and your group turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Take a moment and list your top 5 priorities in life. After you have your list, take a look at your calendar or think back over your last week – where did you spend most of your time? If your priorities don't match where you spend your time, what might your life look like if you put it into alignment?
- What does it mean to you to follow the Lord every day? What does that look like in your life?
- Read Mark 8:34-36 – then ask yourself – are you spending more time on things that can build your soul or on things that can't last?
