David & Tara

How to use Talk It Over:

Talking through the message during the week helps you and your group turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Have you ever felt like you were facing a giant and wanted to run? What did you do? What could David teach you?
- Who are the young people in your life? Grandchildren, neighbors, nieces/nephews, friends? How can you be there to support and encourage them?
- Too often we tell young people they have to “wait” – God wants to use them/you now. How might God be calling you? Or, how might you help a younger person discover where God is calling them?
