... is faith

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- It's a new year and a time we often take stock of our lives and look forward. As you think about this new year, what steps might you take to deepen your faith in Jesus?

- Just as the wise men's faith led them into action traveling great distances to foreign lands, imagine where your faith might take you this year if you let it. What holds you back?

- Take a look at those thing(s) that hold you back – how might asking someone in your life to help you, make it possible for you to overcome the blocks? Try asking someone to help you with one step or part of a step this week and see where it goes!
