... is awe and wonder

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- What causes wonder and awe to spring up in you?
- One of the things we often long to re-capture from our childhood is the awe and wonder of Christmas. This week, as we step into the season, try setting up 10 minutes a day for you to simply sit and reflect on the wonder of what God did for us in Christmas.
- Try committing this December to find awe and wonder, not in the craziness, but in the simple joys of the season. Make room for space and time to simply be ... and breathe in the wonder of your God.
