## **... Grave Moments**

### **How to use Talk It Over:**

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

### **Key Questions:**

- Think of places and times in your life when you have felt joy. What was happening? What triggered the joy? How did you celebrate?
- Look back over some of the harder times of your life. As you think back and then think forward to the journey since then ... is there anything to celebrate along the way? If so, thank God for that today.
- When life is good and the way easy, it is easy to overlook God's presence. For the next week, be intentional about looking for God's presence in your life. Celebrate when you feel his presence!
