Dwelling Together

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- What was your dinner table like while you were growing up? Or what is your dinner table like today? Is it a place of welcome and community or is it simply a place to eat and run?
- God's welcomes ALL people to his table. Who do you find the hardest to welcome to the table? What keeps you from being able to welcome fully?
- What one step might you take this week to welcome someone new or different into your life? Could you be willing to at least give it a try? What hurdles must you overcome in order to be able to do this?
