Dwelling Through the Word

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Do you read scripture? If so, how do you read? Just to get through it? Searching for an answer? Trying to understand? Listening for the story?
- How much of the Bible do you “know”? How much do you think someone would need to know in order to “know enough”?
- This week try doing Lectio Divina with the scripture listed below. Each day, read through the scriptures listed at least three times. Notice what jumps out at you. What words, ideas, phrases? Write them down and your thoughts and questions. See how God speaks through his Word to you this week.
