*Rise and Go!*

**How to use Talk It Over:**

*Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.*

**Key Questions:**

- This week, be extra observant and really see the people around you. Is there someone hurting or in need of help? If you run into someone, could you make their day brighter somehow? Be on the lookout and then step into the chances you have to spread the love of Jesus around!
- As a church too often we simply want to gather with other believers. This week look around you and see who might need the gift of community in their lives – those outside the body of Christ. Be the hands, feet and voice of Jesus for them this week.
- Who do you find hard to love? People who are older than you? Different than you? People you deem less than you? How might you soften your heart and learn to love them? How might you share the love of God with them?
