Don't Make God #1 (on a list)

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Is God at the center of who you are? The core of your being? Or is God something on a list you check off?
- Take a bit and think about your ideas around worship: When do you worship? Who is worship for? What makes "good" worship? If any of your answers are about you ... how might your vision change if you chose to see worship as something for God?
- So often we think of worship as something we do once a week "at church." How might you change that image and see yourself worshipping God all week long?
