## More Than Music

### How to use Talk It Over:

*Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.*

### Key Questions:

- If you were to take music out of your concept of worship - how would you worship?
  
- It was stated today that “every decision is actually an act of worship.” How do you see that being lived out in your life?
  
- How might you worship God if you were to worship in silence?
