Join the Rising Anthem of Love

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- If how you worship God involves how you treat all of God's creation - how well do you fully worship God?
- Often we divide our lives into the "secular" or real life and the "sacred," meaning church life. How might your life change if you were to see your whole life as sacred?
- Today, the comment was made that because God goes with us wherever we go, our lives cannot be divided into sacred and secular - because God shows up when we do. Do you agree? If you were to agree, how might it change how you think of your life?
