## Counted and Measured

### How to use Talk It Over:

*Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.*

### Key Questions:

- In the midst of all the lists and numbers in Numbers – where and how do you see God at work?
  
- Put the Aaronic blessing (text in bulletin) on something you see everyday – like your mirror. And then say the blessing to yourself to remind yourself that God is with you and watching over you.
