## Not Just Sum One

### How to use Talk It Over:

*Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.*

### Key Questions:

- God has created us to do life in community. What kind of community surrounds you these days? Are they encouraging and authentic? Do they build you up? What might you do this week to deepen those relationships?
  
- Ask God this week to show you what could be a next step for you in your journey of faith... and then ask for the courage to step into that. If you don't know or don't know how to do it... contact Pastor Jane, she'd love to help you!
