The Spying Dozen

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- When you see your life, do you see a life of plenty or a life of scarcity? Do you see a life filled with God's presence or a life far away from God? When God says trust me ... what is your response?

- 1 John tells us that the One in us is greater than the one who is in the world. That means we have the power of God in us and we can live in confidence with it ... taking on the challenges of life and counting on God to help us get through. Do you rely on God's power in your life or do you try to do life on your own?
