More Than You Can Count

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- How has God provided for you? How does God provide for you? Take time this week to make a list to answer each of those questions ... then spend time thanking God for all he provides.

- As you read the chapters in Numbers this week - instead of simply reading them like they happened long ago, see what you can glean out of the texts for the present. What message could be there for you today?

Reading for this week:

Monday: Numbers 7

Tuesday: Numbers 8

Wednesday: Numbers 9

Thursday: Numbers 10

Friday: Numbers 11
