Fruit of Shalom

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- What double standards do you find in your own life? Do you hold yourself to a different standard than you do others? If so, what happens as a result?
- When you do something for someone else - what is often your motive behind what you do? Personal gain? Pleasure? To get something back? Take stock this week when you do something for someone else - what do you expect as a result of that act?
- In what ways can you choose patience this week? Who needs a little kindness from you?
