Living Fruit-fully

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Fruit-full living can only happen when we stay connected to the Vine - God. How do you keep connected to the One who gives you the ability to live fruit-fully?

- Living fruit-fully is also about transformation - fruits start as flowers or seeds and then become fruit ... are you willing to let God transform your life? And if so, how are you tending your soul so that can happen?
