## Authentically

### How to use Talk It Over:

*Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.*

### Key Questions:

- Who are people in your life that you can simply be “you” with? Do you trust them with all of you - not just the “good and pretty parts?” If you don’t have these kinds of people in your life, what keeps you from them? What do you fear?
  
- We say authentic community welcomes each person as we are. Where and who in your life might you begin to welcome - as they are - and thus creating authentic, real community with them?
