How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Think about the people who have made a difference, especially a faith-filled difference in your life. As you think about them and what they have done for you, take time this week to thank them somehow.

- When you think about your faith walk, do you see it more as something you do on your own or something done in community? Do you see it as something you're responsible for? As you answer these questions, think back to today's message - where might you grow in your understanding? And how might you live that out?
