## **Along the Road**

### **How to use Talk It Over:**

*Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.*

### **Key Questions:**

- What has your faith journey looked like so far? Take some time this week to write it down, map it out. And then, share it with someone else. Just share your story and if they want, let them share theirs.
  
- As you think about your faith journey, who can you invite to walk with you? To give you courage, to support and encourage you? Dare to think of at least one person, and then invite them this week to walk with you ... and see what happens next!
