Fearless Service

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- In what ways do you use what God has given you to serve the needs of others? If you don't, what keeps you from sharing?
- Think through your own life -- where does a mindset of scarcity plague you? In what ways might you change your mindset, seeing instead all that God has given you to serve others?
- Choose one way to go outside of your "norm" this week to serve God by serving others.
