Fearless Sowing

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Where have you sown the seeds of God's love recently? What was happening? How did you feel doing it?
- Who has sown the seeds of God's love in your life? Have you ever told them thank you? This week try letting them know how they have sown fearlessly in your life.
- Who needs you to sow God's love fearlessly with them? What stops you from doing this? Pray for God's strength and grace to sow here this week.
