We Follow With Passion

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Have you ever tried anything where you had to work really, really hard for a long time before you mastered what you were doing? What was it? What was it like?

- As you begin a new year, choose one area in your relationship with Jesus you want to work on. Write it down. Commit to it. Share your commitment with a friend and then ask them to help you/keep you accountable for how you want to grow.
