We Prepare With Intention

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- How do you usually prepare for the Christmas season? Is it all at once or do you keep preparing all season long? When you think of this prep time, how do you feel?
- Take an inventory of your heart and mind - during the Advent season - how much of your time/heart is spent on the “trappings” of Christmas and how much is truly spent preparing to celebrate the miracle of God coming to us in Jesus?
- What might you do to keep Jesus truly in the center of this season?
