## **We Walk With Purpose**

### **How to use Talk It Over:**

*Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.*

### **Key Questions:**

- What traditions and expectations do you carry for this season?
- The purpose of Advent is having time to set aside and focus our hearts on the coming of Jesus. As you think about your traditions and the expectations you carry - do they help you prepare? If not, is there a way to change how or what you do so you are preparing for Jesus?
- Are you willing to do what you said in response to question #2? What keeps you from doing it?
