## Coming to the Table

### How to use Talk It Over:

*Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.*

### Key Questions:

- Whose story would you like to hear? Look around you, think about the people you encounter ... and pick one. Ask them if they will share their life story with you - for the sole purpose of hearing their story and getting to know them better.
  
- Do you discount yourself or others from “the table” - God’s table? If so, what makes you say you/others are unworthy of coming to the table? This week take these to God in prayer and ask him to help you see your worth and the worth of others in God’s eyes.
