## Angel Food!

### How to use Talk It Over:

*Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.*

### Key Questions:

- Think about what you heard in today's message. Was there information about angels that was new to you? Or different than you thought? What did you learn today?
  
- Have you ever felt the presence of God or an angel at work in your life? If so, what happened? How did it make you feel?
