Wedding Feast: The Mega Potluck

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Read through the words from Revelation on today's bulletin. Read them through 2-3 times and let them become an outpouring of praise to God from you. Then, throughout the week, look for places and times to simply be aware of God's great gifts to you and thank God for them!

- The imagery of a wedding is often used in scripture with Jesus the bridegroom and the body of Christ the bride. Think about how a groom feels for his bride -- with deep and abiding love -- and then allow yourself to feel that kind of love from God to you.
