Empty to Be Filled

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- When in your life have you experienced emptiness?

- What people, places, activities, etc. take up the space in your life meant for God?

- This week look at your answers to the second question, and seek to give up, to empty some of your life that God might come and fill it with his presence and peace.
