The End... and the Beginning!

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- How often do you catch yourself trying to save your own life? How's that working for you?

- The life Jesus offers is upside down, inside out to the life the world offers ... are you ready for it? Will you step into it? Or, if you're already there, will you step more deeply?

- The new life Jesus rises us to is a life meant to be lived in community - with other believers and with the world. How could you engage with Jesus in both those places? What holds you back?
