## **Unearned Party**

### **How to use Talk It Over:**

*Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.*

### **Key Questions:**

- When in your life have you been like the prodigal son? If you find yourself in that prodigal place today ... stop now and approach God, humbly, knowing God waits to restore you to life.
- Take a look at your life. When are the times you took your inheritance as a child of God and squandered it?
- Just as the father in today's story waited and ran to meet his son, know this: live in the knowledge that God loves and waits for you in the same way. How could you live into this love this week?
