Fan the Flames

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- How is your spiritual journey these days? Where might you need to fan the flames in this walk?

- Often we don't spend time with the Spirit, because when the Spirit shows up, things change. We change. What keeps you from stepping in even further to that walk with the Spirit? Is it possible to set that down?

- Dare to believe that God wants to use you this week. Pray to open yourself to the opportunities that will come your way to be the hands, feet and voice of Jesus. Then boldly step into those times and see what happens!
