Bolivia Sunday – Give and Receive

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- We often see poverty as something that's part of someone else's life and never our own, because materialistically most of us are pretty well off. But there is poverty even in our lives. Where is there poverty in your life? Spiritually? Emotionally? Financially? Name the poverty present in your life.

- One of the things Food for the Hungry does is try to help people imagine a different world, a way out of their poverty. What might a way out of your poverty look like? Are you brave enough to step out on this path?
